MEDICAL RECORDS

For former patients of Dr. Shaughnessy, you can access your medical records in two ways:

1. If you have a new health care provider, that office can fax a signed request to Dr. Shaughnessy's office (519-425-5310) to arrange for a record transfer.
2. Patients may call Dr. Shaughnessy's office directly (519-425-5316) to arrange for a release of the record.

Please note that there will be an administrative charge to cover the cost of managing the record transfer/release. Multiple records (e.g. family members) may be obtained at one time, but each adult will be required to sign an authorization.
