

Downtown Ingersoll
Business Improvement Area

January 27, 2011

Dear Community Group:

Good weather is just around the corner, and we have an exciting next couple of seasons to enjoy in the Town of Ingersoll. The following events are sure to bring out to enjoy the following:

Ribfest – June 16, 2011

Canterbury Folk Festival – July 8-10, 2011

Harvest Festival – August 24-28, 2011

The last two events/activities will be held throughout the town, but will also have planned activities on Thames Street between King and Charles Streets which will be closed to vehicles, as in previous years. We welcome your participation in promoting your community group/organization/charity by setting up a display and/or activity. Please contact us if you require space.

Also, each year Ribfest donates a percentage of the profits to not-for-profit community groups/charities. The not-for-profit groups/charities is chosen by submitting a letter responding to volunteering time to set up, help facilitate the event (i.e. selling tickets) and clean up of Ribfest. Please fill out the enclosed form if you would like your group to participate in the great community fundraiser. If you have any questions please don't hesitate to contact Becky Breedon at 519-485-0120 ext. 2224 or email rbreedon@ingersoll.ca. You may mail or drop off the attached form to the Town of Ingersoll, c/o Rebecca Breedon, 130 Oxford Street, 2nd Floor, Ingersoll, Ontario N5C 2V5. Deadline is: April 15, 2011

Sincerely,
Mike Bowman
