

Large Article Collection (LAC)

Acceptable Material

- mattresses & box springs
- tables/chairs
- household furniture
- carpet rolls & under padding (no longer than 6' rolled and bundled)
- plastic laundry tubs and nonmetal plumbing fixtures (e.g. acrylic tubs/sinks)
- pool filters (no sand)
- pool covers
- water softeners
- similar large items that cannot be broken down and placed into a standard garbage bag 76 x 96 cm (30" x 36"); maximum weight of 20 kg (44 lbs)

Unacceptable Material

- regular household garbage and normal recyclables
- construction, demolition & building materials, including stones & concrete
- hazardous waste materials (e.g. paint, propane tanks, pesticides, medical waste)
- appliances (e.g. water heaters, washers, dryers, stoves, etc.)
- computers, televisions, & power tools
- scrap metal & automotive parts
- glass & mirrors
- freon containing units (e.g. refrigerators, freezers, etc.)
- tires (any kind)
- leaf & yard waste

Program Guidelines

- Large articles must be set out at curb by 7:00 a.m. on the Monday of your collection week.
- Items are to be set out in front of your property. Do not place items across the road or in ditches.
- Collection vehicles will only go by once; vehicles will not return for late setouts.
- Only items placed at the curb weighing no more than 45 kg (100 lbs) will be collected.
- Community piles at curbside will not be collected. This will be strictly enforced.
- Large article items do not require a bag tag.
- Unacceptable items will be tagged with an explanation notice and not picked up.
- Property owners are responsible for cleaning up and disposing of unacceptable items.

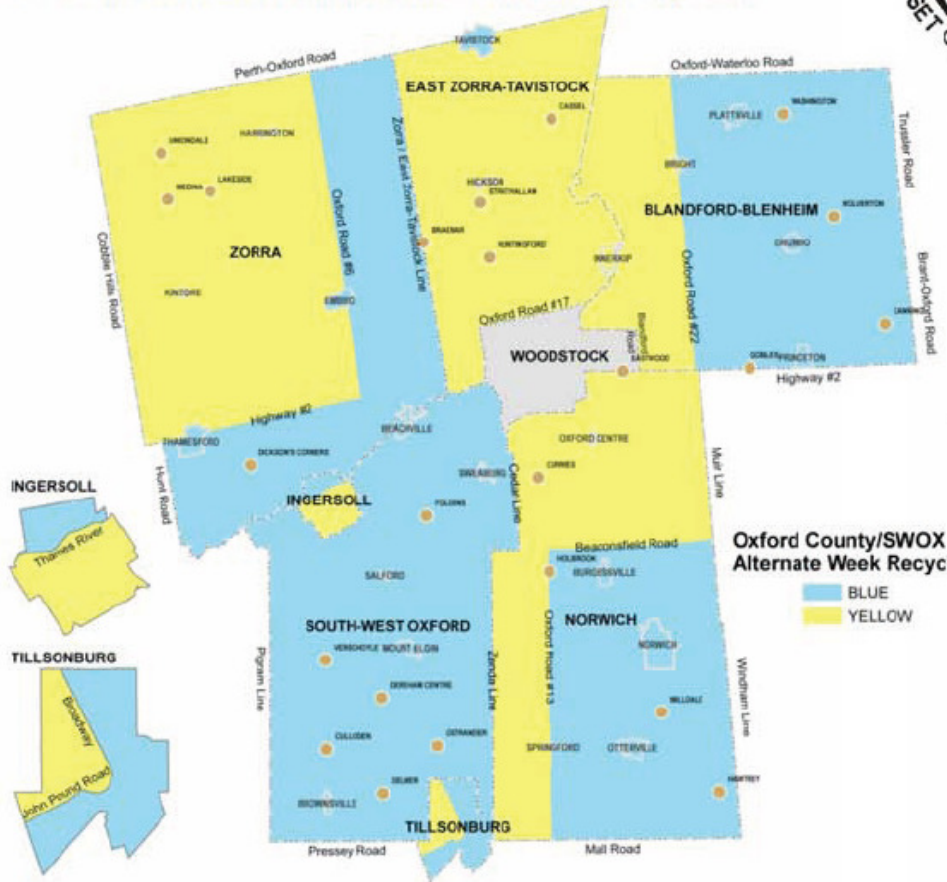

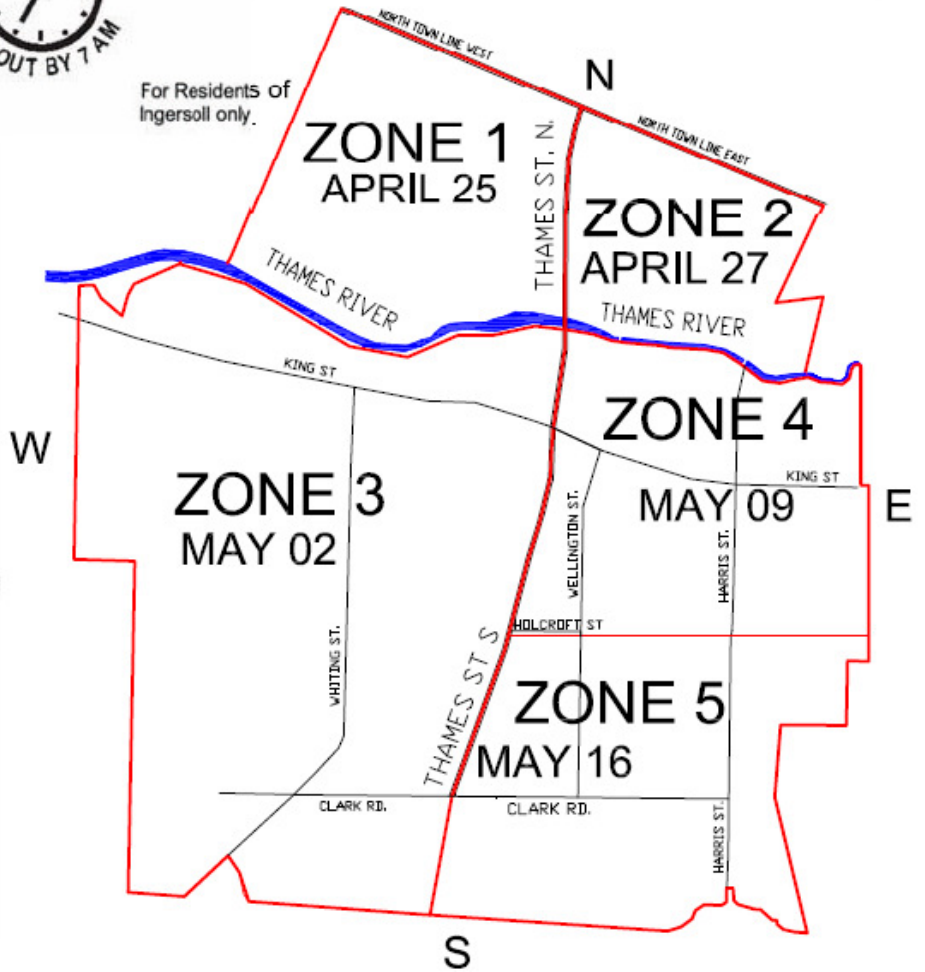

Oxford County and Township of South-West Oxford Recycling Collection Days

Recycling is collected every second week on the same day as your garbage. Check the map to see if your recycling is collected during a BLUE or YELLOW week. Refer to the corresponding colour throughout the calendar.
