

Ingersoll Town Council  
Oxford Street  
Ingersoll Ontario

November 02, 2009

Dear Council

We are writing to request that the one foot reserve required for frontage be lifted. The property in question is located at 249 Harris Street Ingersoll. The frontage is on Norsworthy Lane. We wish to sever our rear one acre lot to build a home for our approaching retirement.

We have completed the necessary forms, with the assistance of the town planner, Ron Versteegen and trust all is in order.

If any further information is required, please call us at the number below.

Thankyou for your consideration,

Handwritten signatures of Lesley Fortner and Pat Fortner in cursive script.
