TOWN OF INGERSOLL
CLERK/TREASURER

Dear Town of Ingersoll:

On behalf of the Canadian Cancer Society, I would like to thank the Town of Ingersoll for supporting the Robert Morrell Cancer Benefit Concert that took place in Ingersoll this past summer. Partial proceeds were graciously donated to the Canadian Cancer Society.

The Canadian Cancer Society is a national community-based organization of volunteers, whose mission is the eradication of cancer and the enhancement of the quality of life of people living with cancer.

In 2008/2009 over 1,430 Proud Supporters raised more than \$3.8 million through the Community Partnership Program in Ontario. These important funds enable the Canadian Cancer Society volunteers and staff to continue to:

- Fund leading-edge cancer research on all types of cancers
- Provide caring support services to people living with cancer
- Educate people about cancer prevention
- Advocate for healthy public policies which will help to prevent cancer and help people living with cancer

Thank you once again for your continued support of the Canadian Cancer Society.

Together, we're strong in the fight against cancer.

Yours truly,

Shelley Lachapelle
