Re: Request for an Exemption to Alcohol Management Policy

The Ingersoll Harvest Festival is hosting a Beer Garden & Dinner/Dance at the Ingersoll Cheese & Agricultural Museum on Saturday, August 22nd, 2009 and it was noted that the current policy does not permit the consumption of alcohol in Centennial Park save and except for campers. The Committee is therefore requesting an exemption to the Alcohol Management Policy Article 1 (c) as it pertains to the consumption of alcohol in Centennial Park.

Article 1 (c) of the Policy states:

That Centennial Park be signed the same way as other parks in Ingersoll which indicate that no alcohol be consumed in the park, with one exception, campers in Centennial Park consuming alcohol in their own trailers or tents be allowed.

The Ingersoll Lions Club has assumed the responsibility for the operation of the Beer Garden and all applicable approvals.

A favourable decision to grant an exemption to the Alcohol Management Policy from 11:00 a.m. to midnight on August 22, 2009 at Centennial Park to accommodate the Harvest Festival's Harvest Moon Dinner/Dance is requested.

Yours truly,

Gord Lesser, Chair
