Re: Bonnie Mott Memorial

Dear Sir:

Further to our numerous conversations with respect to the above noted matter, will you kindly advise if the Town of Ingersoll is prepared to allow the Ingersoll Community Foundation to install a memorial to Bonnie Mott on the "gazebo site" property on Thames Street South.

As you are aware the late Bonnie Mott was one of the original organizers of the Ingersoll Community Foundation and worked tirelessly for the foundation before her untimely death. In addition she was a tremendous support of the Town of Ingersoll during her lifetime.

The memorial we propose is a granite "soap box" which would be used as a "speakers corner" and would be dedicated in memory of Bonnie. We have previously provided you with a sketch of the monument.

Yours very truly,

Ingersoll Community Foundation
