To: Ingersoll Town Council

From: Ingersoll District Collegiate Institute Student Parliament

This May Ingersoll District Collegiate Institute will be hosting its Annual Car-B-Que. This event acts as a year-end lunch-hour activity for both staff and students and has been a great success in previous years, bringing students together for great food and fun, but also community volunteers to show their custom or antique cars. As we have done in previous years, we are hoping to have the car owners park their vehicles along Alma Street in front of the school. We would like to request permission to have Alma Street, from George Street to Thames Street, closed for this event. This year the Car-B-Que will be held on May 29th, and we would like to have Alma Street free from traffic flow from 10:00 a.m. to 1:30 p.m. If you require any additional information please feel free to contact us through the Ingersoll District Collegiate Institute (information provided below), and ask for the message to be forwarded to Student Parliament. In addition, Student Parliament would like to thank the Town of Ingersoll for its support in the student led activities that have been run here at I.D.C.I.

Thank-you,

Danica March
