TOWN OF INGERSOLL  
CLERK/TREASURER

Mayor Holbournough and Honored Council Members;

I am sure you are all aware that we have been hosting an annual charity car show since moving to our new store. This event has - and will continue to be totally "not-for-profit." All proceeds from the car show have been given to the Alzheimer's Society, Sick Kids Hospital, Fusion Youth Centre, and to Special Olympics - Ingersoll, the workers, and the prizes are all donated. Any out-of-pocket expenses are either recovered by our advertising partners or considered a donation from Ingersoll Home Centre. Every cent raised goes back to the charities.

This event has exceeded our expectations every year.

Sine the first year our numbers have easily quadrupled. Last year, we had over 250 vehicles - that's where we lost count. As Mayor Holbournough can tell you; an accurate count was next to impossible.

We were unable to park all the participants at our business, and after approval was sought, the cars overflowed from our lawn, into J-Tech's parking lot and into Tim Horton's facility.

Mayor Holbournough was one of our judges last year, and can attest; the event is a real crowd pleaser, but it has clearly out grown what we can safely hold on our facility.

C 08/June/2009

Deputation b)

We are being asked on a weekly basis now, when and where the show will be this year. The requests and the interest for this show have reached west of London and east of Kitchener already! I am therefore submitting this letter to request that the Town Council consider closing of Samnah Crescent this year on Sunday September 20<sup>th</sup> for us to host the event that day.

I will personally go to each business and get written approval for the event, and if any of them have concerns, I will address each as they arise.

What I need to know now is if the town and the council will support this direction for the event; and what special considerations, if any we will have to address on behalf of the town....

Yours truly,

Dave Eisen;

Ingersoll Home Centre
