

**PUBLIC WORKS DEPARTMENT
SPECIAL REPORT PW-086/09
Replacement Truck #10 TENDER RESULTS**

May 11, 2009

Background

Tenders were solicited from appropriate suppliers for a replacement of Truck #10, an existing pickup truck. Detailed specifications were provided to the dealers with tenders closing at 11:00 am May 8, 2009. The following tenders were received:

COMPANY NAME	Make And Model Bid	Specifications Met	Bid With Trade Out	Bid With Trade In	Trade In Price
Glassford Chrysler	Dodge Ram 2500 4x2	Yes	\$26,801	\$24,541	\$2,000
Searles Motor Products	Chevrolet Silverado 2500 HD, 2WD	No Didn't supply sliding rear window	\$25,095.55	\$ 26,225.55	\$1,000
Macnab Auto Sales	Ford F250	Yes	\$25,828.97	\$26,958.97	\$1,000

The low tender as submitted by Glassford Motors did meet spec but is over the approved Capital Budget amount by \$541.00.

Recommendation

I would recommend the low bid of a Dodge Ram 2500 4x2 from Glassford Chrysler for a cost of \$24,541.00 be accepted and that the \$541.00 overage be funded from the Public Works Equipment reserve.

Respectfully submitted

John Phillips
Town Superintendent
