

Town of Ingersoll
Attn: Mr. Timlin, Chief Administrative Officer
130 Oxford Street, 2nd Floor
Ingersoll, ON N5C-2V5

Dear Mr. Timlin:

I would like to thank the Town of Ingersoll for their significant contribution in supporting my trip to the Hugh O'Brien World Youth Leadership Congress (WLC) in Washington, D.C. this past July.

There were 375 high school students representing 48 States and 11 different countries. I was honoured to be one of the 18 representing Canada at the WLC. My week in Washington was very busy and an unforgettable experience for me. I am grateful for having had the support of my community, my friends and neighbours, who made it possible for me to participate in such a life-changing program.

I would be happy to speak to the Town Council about my trip to Washington and what it meant to me. You may reach me at 519-485-6199 or by email b.hutchison8@sympatico.ca.

I look forward to hearing from you.

Sincerely,

Brennan Hutchison
