- No
- Yes (If yes, provide details)

- * Oxford United Way \$5000 requested
- * Oxford Community Foundation \$500 requested
- * Thames Valley Education Fund \$500 requested

Please outline briefly why you feel Public Funds should be given to your organization
Since this is entirely a local organization entrenched in charitable purpose focussed on

supporting its local community, consideration of funding should be given. Project Linus adheres directly to the condition of benefiting the Town to promote a more active and healthy community life. The project has a diverse source of funding and meets all criteria stipulated in the policies and procedures of the application for funding.

- List any expected donations, gifts, etc. that you expect to receive in the funding year.
 - *public donations (including materials, and finances), student fundraising initiatives and grant monies provided by the various agencies.*
- Briefly outline the activities provided by your organization.
 - *It is the goal of Project Linus -- Ingersoll to teach high school students how to make a variety of blankets to donate to local social services to distribute to children trying to cope with traumatic experiences. Through this, students will gain leadership skills and take initiatives to promote the Project to the community. Activities of this Project include constructing blankets, publicity efforts such as making and distributing flyers at local festivals and the like, fundraising efforts, collecting donations, and distributing hand made blankets to local social services. We are also hoping to enlist the expertise of our local seniors to teach our students how to knit, crochet and quilt.*
- For what purpose will the grant funds be used?
 - *to purchase sewing supplies, fabric, knitting and crochet supplies, thread, advertising, paper, photocopying, fundraising capital, publicity expenses, fabric, yarn etc.*
- Do you expect to request Town funding over the next five years? If so, how much each year?

Yes No
