### **MAINTENANCE**

1. Sidewall Sweeping
  - All sidewalks, boulevards, walkways and islands have been swept for initial spring cleanup.
2. Street Sweeping
  - All streets have been swept through for the initial spring cleanup.
  - These operations have been completed three weeks early due to favorable weather.
  - Numerous complaints were received due to dust from the sweeper.
3. Tree Tender
  - All stumps from the tender have been removed.
4. Benches
  - Benches were cleaned and set in place throughout the core area.
  - One bench was taken out of service as it was beyond repair.
5. Winter Control Equipment
  - All plows, sanders and blowers have been removed, repaired, painted and stored for the season.
6. Large Article Pickup
  - Pickup commenced April 26<sup>th</sup> in the North West corner of Town.
  - Crews are separating building material from the debris. This is processed in a different location at the landfill.
