Town of Ingersoll
Mayor and Council

Dear Mayor Holbrough:

This letter is to express our appreciation to the Town of Ingersoll for its participation in the 2010 National Edition of Communities in Bloom.

Your involvement in the program allows us to develop a network of information for the benefit of all provincial participants, national and international finalists.

The support of elected officials along with the commitment of your staff and dedication of volunteers are truly contributing to your community's quality of life and sense of place.

Within the actual context of climate changes and environmental concerns, communities involved in the Communities in Bloom program can be proud of their efforts, which provide real and meaningful environmental solutions and benefit all of society.

We look forward to learning more about your community and showcasing its achievements. Hopefully you will be able to attend the *National Symposium and Awards in Halifax, Nova Scotia to be held October 27 to 30, 2010.*

Thank you for your continued support of Communities in Bloom.

Most Sincerely,

Ted Blowes
National Chairman
