

CORPORATION OF THE TOWN OF INGERSOLL

Regular Meeting of Council PUBLIC WORKS DEPARTMENT JULY REPORT # PW-122/10

Approval Date: August 09, 2010

MAINTENANCE

1. Manhole Repairs
 - Repairs are now completed to all 26 manholes scheduled for maintenance.
2. Catch Basin Repairs
 - Repairs have been made to 43 of the 62 catch basins scheduled for maintenance this season. The remainder will be completed in August.
3. Catch Basin Cleaning
 - Basin cleaning operations have now resumed after installation of a new water pump on the sweeper.
4. Street Name Signs
 - All intersections now have street name signs at one of the corners.
 - Several intersections had signs in inconspicuous locations or missing altogether.
5. Sight Lines
 - Staff has trimmed back and removed various obstructions in site-triangles at all intersections.
6. Grass Cutting
 - Designated boulevards have been cut through with the tractor mower.

ADMINISTRATION

1. Summer Projects
 - With summer projects in full swing, considerable time was spent with staff and contractors on these projects.
2. Staff Training
 - Updated department ladder policy to reflect Ministry of Labour directives and train staff.
3. Drainage Concerns
 - Due to frequent rain storms in July, staff received numerous drainage concerns. To date all concerns have been addressed.
4. Attended the following meetings,
 - By-law review
 - King St. West pre-construction

Respectfully submitted,

John Phillips
Director, Public Works Department
