TOWN OF INGERSOLL
CLERK/TREASURER

Dear Mayor Holbrough and the Members of Ingersoll Town Council;

On behalf of myself and the Oxford County Library Board, I wish to express our gratitude for the Town of Ingersoll's generous grant of \$1,000 to the Ingersoll Public Library Advisory Committee for special programming in 2010.

As you know, the Ingersoll Library has planned an exciting Summer Reading Program on the theme "Destination: Jungle". In addition to running several free children's and family programs each week, a variety of performers and special guests have been booked – once again, at no cost to attendees. The Town's grant to IPLAC assists greatly in allowing us to continue to offer fun, educational programming to children and families throughout the year, without needing to charge an admission fee and thus potentially discouraging those families that need the programming the most.

I am very grateful to the Town for their financial support, to IPLAC for their ongoing efforts to promote and support the library, and to our library programming staff whose energy, creativity, and dedication help make the Ingersoll Library such a valuable resource within the Town. I would encourage each of you to visit the library this summer to learn about the range of activities offered and to see the Program Room as, over the course of the summer, it is transformed into a jungle scene.

Once again, many thanks for your continued support.

Yours sincerely,

Lisa Miettinen
CEO/Chief Librarian
