Subject: CAR SHOW

Mayor Holbrough;

Deputy Mayor Fred Freeman;

I would like the opportunity to speak to you about closing Samnah Cres. for our annual car show.

Our date is Sunday Aug.22 this year, and we are gearing up for 500+ vehicles again this year. We would like to get the word out early this year, as this has become an event that car enthusiasts *want to attend*. In previous years, we have taken a less assertive attitude to promoting, and putting on our show, but feedback that we had from last year; even with the poor weather tells us that the participants and visitors all love the Community Corner Crusin' event, and it is time to let this event show what it can really do for Ingersoll!

This event brings people to Ingersoll from near and far for what has become a full day event. Last year we had participants from the East side of Toronto, the Niagara peninsula, and west from Windsor.

Last year we were again able to donate to *local* charities... over \$5,000.00.

That puts our 4 year total well over 20,000.00 and all of it supported *local charities!!*

We will be supporting the *Ingersoll Special Olympics* again this year. They always have Olympians and other helpers out to assist us at the show. We will be choosing other local charities to share in the benefits of the show. We always try to give back to *local charities*, so that the funds raised support the efforts of local people and charities.

The event, as you know is 100% for charity. All input costs are covered by sponsors, and or donations from our local businesses, and NOT recovered from the money brought in by the event.

Please let me know if I am required to appear again at council, or if you need a signed sheet from our neighbour's supporting the show...

Thanks in advance you're your support with this event!!

p.s. We will need judges again..... more than one!!!

p.p.s. I just reviewed the Tourism Ingersoll information package that arrived here in the mail. What would it take to advertise, or to have the Community Corner Crusin' event in your flyer for next year?

Dave Eisen
