Mayor Paul Holbrough
Town of Ingersoll
130 Oxford Street
Ingersoll, ON N5C 2V5

Your worship Mayor Holbrough,

It is with great pleasure that I acknowledge the exceptional efforts of the Ingersoll Fire Department who raised \$4,423 for Muscular Dystrophy Canada through their fundraising efforts between April 1st 2009 – March 31st, 2010.

More than 600 Departments/ Associations across Canada worked in partnership with Muscular Dystrophy Canada last year raising more that \$2.5 million. I am proud to inform you that the efforts of hundreds of Fire Fighters from more than 280 Ontario Departments / Associations raised over \$1,093,000.

With these generous funds Muscular Dystrophy Canada was able to provide Canadian families with more than \$2 million worth of equipment including wheelchairs, walkers, and scooters. We also helped fund over \$4 million dollars of cutting edge neuromuscular research.

Canadian Fire Fighters have stood side by side with Muscular Dystrophy Canada for over 50 years. They offer their support, encouragement and time to Canadians affected with muscular dystrophy. Fire Fighters are the cornerstone of our fundraising activities through Boot Drives, community programs and special events.

We admire the ongoing passion and commitment of the members of the Ingersoll Fire Department for all they do in your community and for those affected with muscular dystrophy. We are proud to have them on our fundraising team. Muscular Dystrophy Canada would like to extend thanks to your local Fire Fighters, your community, and leaders such as yourself, who support these incredible heroes.

Sincerely,

Deanna Totten
Revenue Development Manger
