

**PUBLIC WORKS DEPARTMENT  
SPECIAL REPORT PW-104/10  
Replacement Truck #6 TENDER RESULTS**

June 14, 2010

---

**Background**

Tenders were solicited from appropriate suppliers for a replacement of Truck #6 an existing combination plow and sander truck. Detailed specifications were provided to the dealers with tenders closing at 11:00 am June 4, 2010. The following tenders were received:

COMPANY NAME	Make & Model Bid	Spec. Met	Bid Trade Out	Bid Trade In
Team Truck Centre London	Freightliner M2106	YES	\$203,385.31	\$194,571.31
Metro Freightliner Brantford	Freightliner M2106	YES	\$204,869.00	\$197,088.95
Carrier Truck Centre Woodstock	Navistar Workstar T400	YES	\$209,459.21	\$198,159.21
Peterbilt of Ontario London	Peterbilt 348	YES	\$214,846.90	\$202,416.90
Gerry's Truck Centre London	Volvo VHD42 F200	YES	\$234,199.28	\$222,899.28

The low tender as submitted by Team Truck Centre does meet specifications and is within budget once the HST is rebated.

**Recommendation**

I would recommend the low bid from Team Truck Centre for the supply of a 2010 Freightliner M2106 combination plow and sander truck at a cost of \$175,354.90 net HST be accepted.

Respectfully submitted

John Phillips  
Director of Public Works
