Re: Mini-Putt 105 Wonham St. Ingersoll

The Kiwanis Club of Ingersoll has entered into an Agreement to acquire the above noted business. We must enter into a lease with the Town of Ingersoll, and wish to have a lease for 5 years with the option to renew for 5 year intervals thereafter.

We would appreciate this being placed before Council for the July 12/10 meeting. It is our intention to execute the lease agreement as soon after as possible, so we may open the business and get it up and running quickly. We will be operating it under some name, yet to be determined, with the members of the Kiwanis Key Club at IDCI in charge of the day to day operations.

Should further information be required, please contact the undersigned at B 519-485-3600 H 519-485-3504 C 519-535-2666

Yours truly

Ian G. Robertson/Treasurer
