**Mayors / Reeves
OPP Policed Municipalities**

Dear Mayor / Reeve:

As part of our ongoing efforts to continuously improve the services provided to our municipal partners, the Ontario Provincial Police (OPP) is introducing a semi-annual policing costs reconciliation process. The first semi-annual reconciliation will be issued in the fall of 2010. The OPP will issue semi-annual reconciliations in the fall of each year for costs assigned to the period of January 1st to June 30th. This process has been designed to provide a mechanism to assist municipalities with financial planning and cash management.

In the event that the reconciled semi-annual cost is in excess of the amount previously estimated, no invoice will be issued to the municipality. In this circumstance, an advisory notice will be forwarded to the municipality setting out the current status of its policing costs. The OPP will continue to provide a final reconciliation for costs assigned to the previous calendar year in the spring each year.

All municipalities policed by the OPP on either a Section 5.1 *Police Services Act* (PSA) (non-contract) or Section 10 PSA (contract) basis will be provided with a semi-annual reconciliation. Contract municipalities with expired contracts as of June 30th will have their policing costs reconciled at year-end only.

Any questions you may have about this service enhancement, please contact your Detachment Commander or Financial Analyst in the Business and Financial Services Bureau. They will be pleased to assist you.

Yours truly,

Julian Fantino
