Re: Purchase of part of Crusoe Avenue north of Bell St.

To facilitate the expansion of the residential development at 400 Bell St., Ingersoll, I am hereby requesting Council to consider declaring as surplus lands, to close the said highway and sell that part of Crusoe Avenue for the financial consideration of my accepting all costs associated with the said sale and transfer of lands including all legal, survey and registration to complete the transaction.

May I ask that you give consideration to this proposal.

Yours truly,

Troy McClay
