APPLICATIONa) Glen & Glenda Kivinen, File No. ZN 6-10-03

Ron Versteegen, County Planner, notes that Mr. & Mrs. Kivinen are requesting a zone amendment from Residential Type 1 (R1) to Special Residential Type 2 (R2) at 74 Cambridge Street to facilitate an addition to the proposed dwelling unit which will accommodate the development of a second dwelling unit and to recognize the front yard setback of 3.7 m (6.0m required).

The subject property is designated as 'Low Density Residential' on Schedule "i-2" – Residential Density Plan and the zone change generally conforms with the policies of the Official Plan.

The subject parcel is zoned 'Residential Type 1' and permits a single detached dwelling; hence the application for an amendment to zone the subject parcel to 'Residential Type 2' for the second dwelling being added to the existing dwelling.

It is the opinion of the Planning Staff that the application is consistent with the policies of the PPS and also complies with the policies of the County Official Plan.

Mr. & Mrs. Kivinen indicate the addition is to accommodate housing for their daughter.
