**Contract 2-2019
Dufferin Street Road Reconstruction**

ADDENDUM NO. 1

1. Acknowledgement of Addendum

Please insert the Acknowledgement of Addendum with the completed tender and ensure that all parts have been completed.

2. Special Provisions

Items A106 to A107 - Supply and Place 32mm HPDE Sanitary Service(s)

The described check-valve assembly and its components are no longer included in the unit price. The County of Oxford shall supply the 1¼" stainless steel curb stop kit including compression fittings for SDR 11 and curb box with stainless steel rod for the low pressure service.

All other component not highlighted in the paragraph below are still included in the unit price.

Unit price to include all curb stop and check-valve (manufacture John Brooks or equivalent) assembly complete with curb box and stainless steel rod and pin, tracer wire, fittings and bedding material. A solid concrete slab or block only, supplied and placed as part of the Contractor's quoted unit price, will be placed under each curb stop for support.
