STEWARDSHIP OXFORD TOUR!

Stewardship Oxford (SOX) formally invites you to join us on Tuesday, September 20, 2011 for a bus tour of various Oxford County sites, where we will showcase some past, current and future planning efforts to enhance or protect various landscapes within the County of Oxford. A sampling of our tour stops will include stewardship actions such as wetland development, floodplain control measures, assisted migration, reforestation strategies and initiatives, as well as tall grass prairie development. A toast to local landowners, community partners, and the efforts by members of the community as a whole will be held at our final tour stop, which will include a brief review of the Stewardship Oxford programming and vision.

Stewardship Oxford Mission: To work with others to promote sustainable approaches to natural resource management in Oxford county. **A Key SOX Purpose:** To foster a stewardship ethic amongst youth to encourage ongoing natural heritage appreciation now and into the future.

Tour Details:

When: Tuesday, September 20, 2011 from 2:00 p.m. to 6 p.m.

Where: Bus tour departs and returns to Southside Park; meet at the Pavilion adjacent to the Children's Playground Equipment (near Sea Cadets Building). The bus will be leaving at precisely 2:00 p.m. Parking is available in the area.

***** An RSVP with participant numbers is requested by: Friday, September 9, 2011**

Additional Notes/Suggestions:

- A light meal (catered bag lunch) will be provided at our last scenic stop, including a beverage. Important: **advise of dietary needs, if applicable.** Please bring along water, an energy snack, etc. if desired to sustain you during the mid-afternoon hours!
- Please dress as per the day's weather conditions and include appropriate footwear.
- Feel free to invite your friends and family, but advise us of the number attending to assure appropriate busing arrangements and food coverage.
