Mayor and Council

Landfill

The first meeting of the Peer Review Co-coordinating Committee has been held. This was a preliminary meeting to lay the ground work on the committee's next steps in regard to the Peer Review Team selection. The next meeting will be held January 15, 2013.

The Memorandum of Understanding has been signed by all participating municipalities.

Staffing

The position of Public Works Manager has been posted, and work continues on the posting for the Executive Director.

The recruitment process continues for the position of Director of Finance/Treasurer. Council will receive a full report on the matter during Closed Session.

The past weeks have been very busy with a focus on human resources. I wish to thank Tax Collector/Deputy Treasurer Joyce McAndrew and Treasury staff. They have met every challenge and have taken on extra responsibilities over the past weeks.

Other Activities

- CAO continues to attend Community Liaison Committee meetings regarding landfill.
- Several meetings with local developers over the past month.
- Enjoyed the Christmas break.
