NEXT MEETING – April 20, 2017

VISION STATEMENT: The Ingersoll Cheese & Agricultural Museum will be the primary agency responsible for the collection, preservation, documentation, research, exhibition, and interpretation of items and artifacts that reflect the history, growth and development of the Town of Ingersoll and surrounding area from pre-pioneer settlement to the present day.

The museum will bring the past to life through exhibitions, demonstrations, guided tours, educational programs, workshops, and special events.
