Town Centre

June 16, 2020

**Cooling Centre Update**

The Fusion Youth Centre will be a designated cooling centre during Southwestern Public Health issued heat warnings. Patrons wishing to use the cooling centre will be granted access to the Fusion Youth Centre to be able to escape the heat and cool down in an air conditioned environment.

**Mandatory Screening** is required for those who wish to use the cooling centre. It is important to note, no one can be refused entry if they fail the screening. In order to accommodate those who pass the screening and those who do not, the cooling centre will have 3 separate air conditioned spaces that are large enough to ensure physical distancing. Each group will also have their own washroom facility.

Also important to note: Washrooms, rooms, and high touch point areas will be **cleaned and sanitized** in accordance with public health guidelines to ensure public safety.

Cooling Centre Expectations:

- Cooling centre will be open 11:00 am – 5:00 pm during declared heat warnings.
- Patrons are required to sanitize their hands prior to entering the building. There will be a hand sanitizing station located at the entrance of the facility
- Patrons will be expected to wear masks, they will be provided one if they don't have their own
- Staff will screen patrons in accordance with screening tools provided by Southwestern Public Health.
- Depending on the results of the screening, patrons will be sent to 1 of 3 available air conditioned rooms. Patrons will be assigned their own table and chairs.
- Bottled waters will be provided in each room.
- Upon leaving, patrons are required to sanitize their hands.

For cooling centre updates, be sure to like and follow Ingersoll Community Services Dept on Facebook and Ingersoll Community Services on Instagram.

Thank you for your cooperation and continued patience. We will be sure to update everyone once we receive more direction.
