

TOWN OF INGERSOLL
Town Centre

PUBLIC NOTICE
TOWN OPERATED PROGRAMS CANCELLED AND THE TOWN
FACILITIES WHERE THOSE PROGRAMS
RUN WILL BE CLOSED

After careful consideration and closely monitoring COVID-19 related closures and cancellations in our community and around the world, we have made the decision that, effective Monday, March 16, a number of Town programs will be cancelled and the Town facilities where those programs run will be closed until further notice. This includes the following:

- Community centres
- Arenas
- Pools
- Recreation and sport programming
- Community rentals
- March break day camp programs
- Museum
- Fusion Centre

In addition to these closures and cancellations, for the protection of its residents, Town Hall will be closed to walk-in visitors. Individuals that need to meet with staff will need to contact staff to make arrangements to meet either via phone or skype or face to face after a screening process.

We realize the difficulty this will cause for many people in our community. We are in an extraordinary time when each of us has a responsibility to do as much as we can to slow the spread of COVID-19. Health agencies agree that large gatherings put people at risk; these cancellations and closures come because there is nothing more important than the health and well-being of your families and ours.

We know that many people will have questions about how this impacts them personally. We will be providing information directly to those impacted throughout the next few days and will provide as much information as we can as quickly as possible.

Thank you
