COVID-19: Resources for Small Business

RESOURCES TO PREVENT COVID-19 IN THE WORKPLACE

Protect against COVID-19

Ontario is releasing safety guidelines to protect workers, customers and the general public from COVID-19 as it prepares for a gradual reopening of the provincial economy.

These resources are available for different sectors and will

help employers and workers better understand how to prevent the spread of COVID-19.

Sector guidelines contain recommendations and tips for employers on how to keep workers safe on the job. Posters for both employers and workers also offer advice on preventative actions, including physical distancing and workplace sanitation. Employers are encouraged to download the posters to print and post in the workplace.
