COVID-19: Resources for Small Business

OXFORD ECONOMIC STIMULUS FUND

Oxford County Council has approved the Oxford Economic Stimulus Fund.

The fund is designed to help local small and medium sized businesses, not-for-profit groups, and business support organizations recover from the effects of the COVID-19 pandemic.

Administered by Community Futures Oxford in collaboration with Oxford Connection, the fund will provide local businesses with flexible loans to restart businesses closed during this pandemic, revitalize downtown cores, support tourism and hospitality operators and more.

A total of \$1.5 million will be distributed through the fund, \$1 million from Oxford County and \$500,000 from Community Futures Oxford. Up to 10% of the original principal of the loan made to businesses may be forgiven if repayment is made within two years.

Applications to the fund open May 20, 2020 and will be accepted until December 31, 2020.
