Tender No. 2020-Parks

One (1) Front Mount Riding Mower

Trade in riding mower can be seen at the Ingersoll Park's Dept. Building at 269 Ingersoll St. between the hours of 7 A.M. and 3:30 P.M. by calling 519 533 2482.

The name of the tender should be written in the top right hand corner of the envelope. It should read, "SEALED TENDER FOR ONE (1) "FRONT MOUNT RIDING MOWER". No additional marks should be on the envelope. Late tenders will not be considered.

All tenders will be arithmetically checked, any errors will be brought to the tenderers attention. The rates supplied would be the basis for the arithmetic correction and would be the determining factor for any queries about the corrected price. Corrected prices must be agreed by the tenderer.

Tenders must be legible and completed in ink or typewritten. Erasures, overwriting, or strikeouts will not be reason for rejections, provided all such changes remain legible and have been initialled by the authorized person signing on behalf of the Tenderer.

Tenderers are not allowed to submit multiple or alternative tenders.

THE CORPORATION OF THE TOWN OF INGERSOLL

Tender No. 2020-Parks

One (1) Front Mount Riding Mower

GENERAL SPECIFICATIONS

1. The riding mower shall be the manufacturer's standard current production model as shown in their literature and all component units shall be standard or be a standard catalogue listed option unless otherwise specified and agreed.
2. The riding mower, including accessory mountings, parts, connectors and adjustments shall be in accordance with all applicable S.A.E. Standards and Recommended Practices.
3. While the purpose of the specifications is to indicate certain minimum requirements in the way a capacity, strength, construction and other details, their use is not intended to relieve the Town of all responsibility in the selection of equipment which may be considered most suitable for the service involved. In other words, even though proposals are reviewed based on furnishing equipment which may meet the minimum requirements indicated. It is not intended that this alone shall limit the contract award to be recommended but that other factors shall be considered together with any experience the Town may have had with equipment of the same type or manufacture.
4. The specifications included herein describe the type, size, design and construction of equipment which is felt necessary to meet the performance and service requirements of the Town. Bidders desiring to quote on equipment which deviates from the standpoint of capacity, size, construction and performance, both as to individual component parts and the completely assembled units, are requested to submit alternate bids on the equipment which so deviates. Any and all alternate bids which are submitted will be given due consideration.
5. Delivery date could have a direct bearing on the acceptance of the tender.
6. All tenders must be accompanied by complete specifications and illustrations of the riding mower tendered on and warranty information.
7. **All quotations made must be honoured for 180 days after the closing date.**
