Private Swimming Lessons Please call 519-425-1181 to arrange day and time.

Due to the increased demand for swimming lessons we are unable to block off specific times for private lessons in advance of a registration. Moving forward private lessons will need to be requested through, scheduled by, and the need assessed by the Aquatics Manager. Once registration and wait lists have been sorted we will know if there are spaces to slot in a private lesson. Private lessons will be reserved for patrons 5+ years old, who are struggling in our group program and/or children who have special needs that would be better accommodated in a private lesson. We regret that we may not be able to accommodate all requests. Private lessons fee for 8 weeks/8 lessons is \$160.00.
