Members of SWOX Boundary Committee:

The Ingersoll Boundary Adjustment Committee appreciates your most recent Boundary Adjustment offer. The Committee has taken the time to review this offer.

After careful consideration we have a counter offer that we trust will be acceptable. Ingersoll has reconsidered its proposal and feels we are too far apart for the "lump sum" payment. Therefore Ingersoll is offering SWOX current taxes in perpetuity and is including the CAMI lands again.

It is our belief that having all of the lands in Ingersoll, including CAMI, will be more beneficial for all parties. SWOX will always get their current taxes as well as any increases. Please see attached charts and maps.

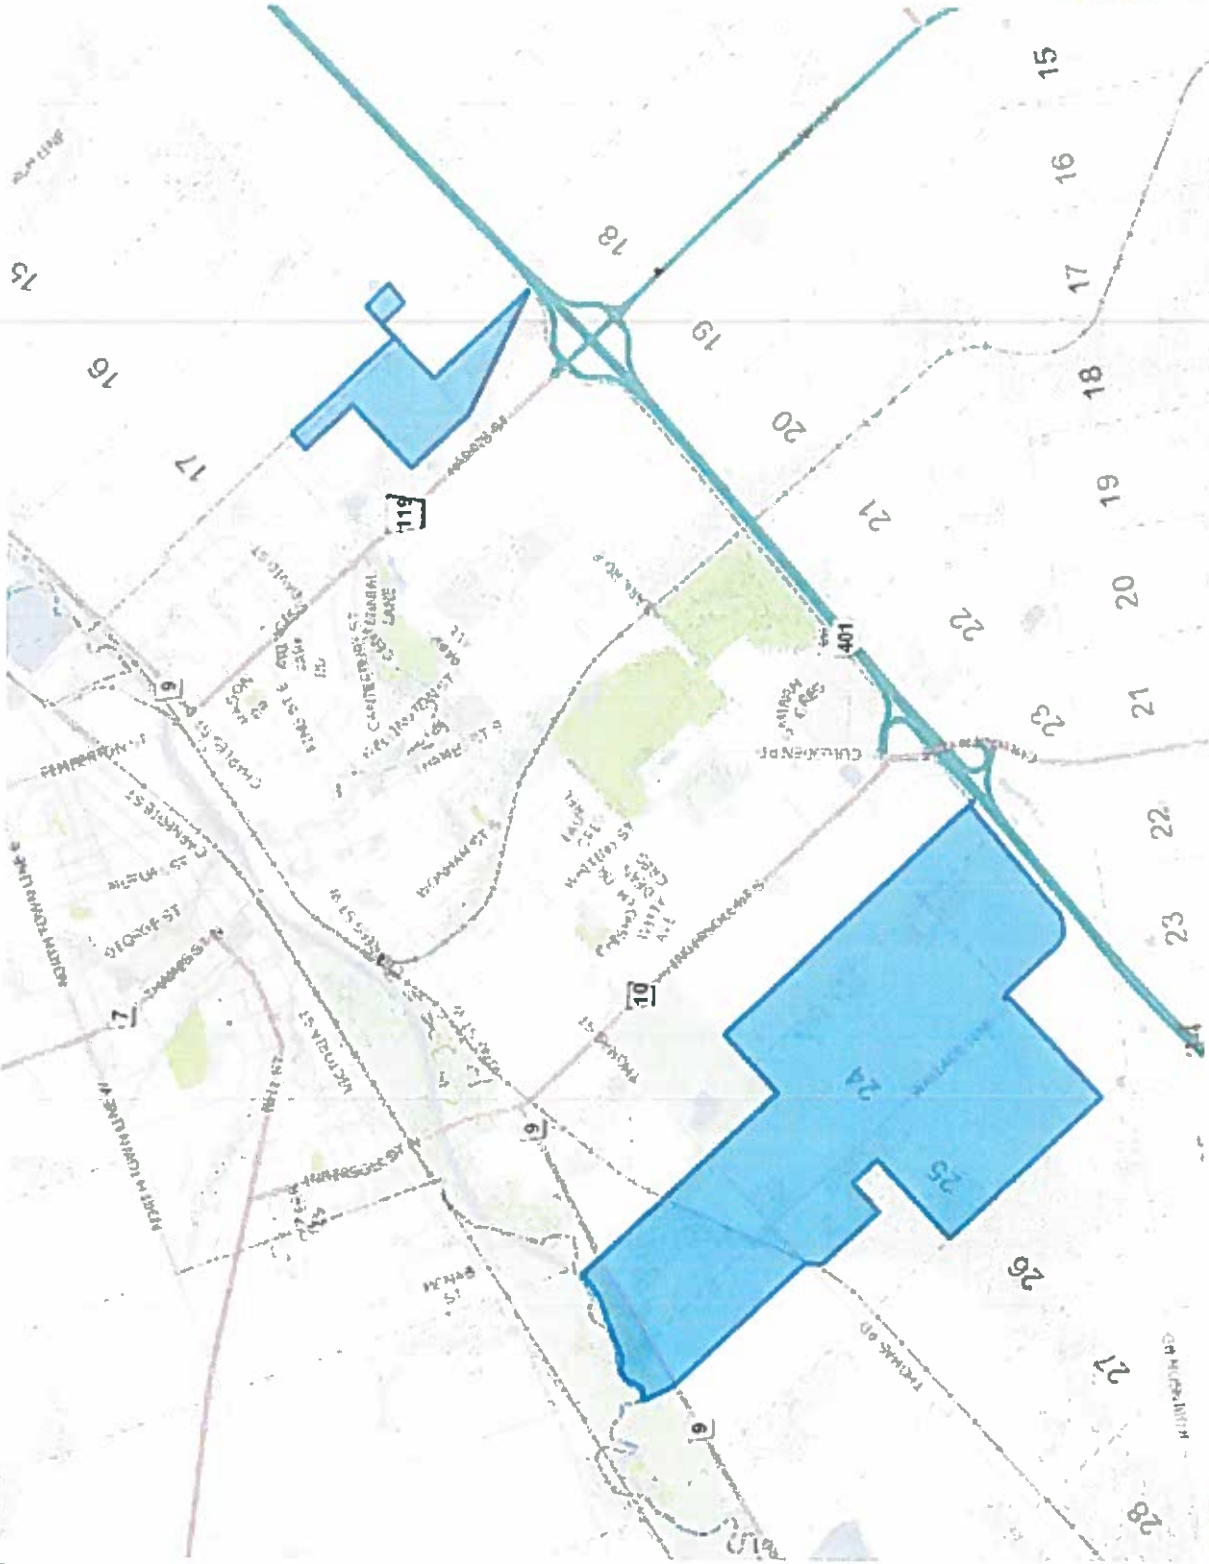

Should you have any questions in regard to this offer please feel free to contact me. Looking forward to our meeting this afternoon.

Sincerely,

Fred Freeman, Town Councillor  
Boundary Adjustment Committee  
Town of Ingersoll
