Town of Ingersoll Appoints Stephanie Conron as the Museum Manager of the Ingersoll Cheese and Agricultural Museum

Ingersoll, ON October 30, 2023 - The Ingersoll Cheese and Agricultural Museum is thrilled to announce the appointment of Stephanie Conron as the new Museum Manager. As we extend our warmest welcome to Stephanie, we would also like to acknowledge Scott Gillies for his service, and we wish him all the best in his future endeavours.

Looking ahead, we are excited to bring aboard Stephanie Conron as our new Museum Manager. Stephanie brings a wealth of experience and a fresh perspective to our team. Her extensive background in the arts, culture, and museum management makes her a perfect fit to lead the Ingersoll Cheese and Agricultural Museum into the future.

Coming off of a highly successful Pumpkin Fest, the museum is gearing up for Santa's Village hosted by the Ingersoll Community Services Department. Running from 4pm – 8pm each Saturday between November 18th – December 9th, the event includes visits with Santa, fireworks, face painting, crafts, Charles Dickens' reading of "A Christmas Carol", a candy cane hunt and so much more!

The museum remains dedicated to the events that have become beloved traditions in the Town of Ingersoll. To keep up with the latest news about the museum, feel free to follow us on Facebook and Instagram @ingersollmuseum.
