

Cathy Cussons

Basketball

Throughout her lifetime, Cathy Cussons has represented Ingersoll in a variety of sports,—swimming, diving, track and field, and figure skating—but basketball has been her crowning achievement. Cathy played as a point guard during high school, a position she held when the I.D.C.I. Junior Girls Basketball Team won the 1970 Tri-County Basketball Championship.

From I.D.C.I., Cathy went on to the University of Western Ontario to further her education. During the 1973-74 season, she was a member of the U.W.O. Women's Basketball Team which won the Ontario Women's Inter-Collegiate Athletic Association Championship.

Cathy played on the Western team for two seasons in addition to playing for Brock University in 1975.
