## Parent Information Package

Dear Parents and Guardians,

We are excited to bring back the Fusion's *Summer Unlocked Experience* for its second year! This transformative mental health and wellbeing program for youth ages 10-18 is proudly offered by us at the Fusion Youth Centre with the funding support of TVDSB, LDCSB, and the Ministry of Education.

We understand that many families are feeling the pressure of the rising cost of living. That's why we're committed to removing financial barriers to ensure youth have access to enriching, meaningful summer experiences at absolutely no costs to families.

The *Summer Unlocked Experience* offers a series of exciting fully-funded day trips and excursions beyond Oxford County. Each trip is designed to promote mental wellness, social connection, and personal growth through fun and shared experiences.

**All outings include:** Transportation, meals at Canada's Wonderland, and entry fees, covered by Fusion.

**Planned trips include:**

- Canada's Wonderland: Trip #1 (Thurs. July 16<sup>th</sup>)
- Toronto Zoo (Thurs. July 30<sup>th</sup>)
- Toronto Blue Jays Game (Thurs. August 13<sup>th</sup>) - Must be 12+
- Canada's Wonderland: Trip #2 (Thurs. August 27<sup>th</sup>)

**\*As much as we'd love to have every youth participate in all the trips, we kindly ask that you choose your child's top choice instead of signing up for all four. This will help us manage logistics, provide the best experience for each group, and ensure that as many youth as possible have the opportunity to attend at least one trip. Thank you for your understanding.**

**Safety & Supervision**

Every trip will be led and supervised by Fusion staff, with appropriate staff-to-youth ratios to ensure safety and support at all times.

**What parents need to know:**

- All costs are covered: food, transportation, and admission
  - \*Meals will not be covered for Toronto Zoo and the Blue Jays trips
- Registration dates will be provided for each trip
- Drop off/pickup details will be provided for each trip

**All participants must complete:**

- Registration/Consent/Liability Form

## Frequently Asked Questions

### ***How old does my child have to be to go?***

For liability and safety reasons, your child must be between the ages of 10-18 (12+ for the Blue Jays trip) to be able to attend these trips as well as become a Fusion member. **This is a zero-exception rule.**

### ***When and how can I drop off my child's permission form?***

We want to give every youth a fair opportunity to be able to attend these trips, so we are only accepting forms no later than **2 days before the trip date by 9pm.**

Forms may be submitted either online through Univerus, or in-person at the Fusion front desk. We will only be accepting forms between the registration start date and 2 days before the trip, **early submissions will not be accepted.**

### ***Will my child be with a staff during the trip?***

Your child will be placed into groups that will be supervised by a staff member at all times. These groups will stay together throughout the duration of the trips, and will be given lots of time to explore and have fun!

### ***Will food be included on these trips?***

Food will be included on both of our Canada's Wonderland trips! For other trips, please feel free to pack your child a lunch & snacks, or pack money to purchase food while we are there.

### ***How many trips can I register my child for?***

To ensure that other youth have the chance to attend at least one of our trips, we are limiting sign-ups to one trip per youth. We know that it can be tricky to pick just one, but we appreciate your understanding as we try to make sure as many youth as possible have the chance to join us on one of these amazing opportunities!

### ***Will my child be able to visit the splash/water park on these trips?***

We would love to be able to do water related activities on these trips, however we want to keep the focus of the trip to the main events. We will not be utilizing the water park or splash pads on these trips, and ask that your child instead chooses other activities that they would like to do.
