

ALL CELEBRATIONS

Located at 83 Thames Street South, All Celebrations is Ingersoll's go-to full-service event and party rental company. Specializing in everything from weddings and corporate functions to fundraisers and backyard parties, they help clients bring their celebration visions to life with ease and creativity.

A Local Beginning

The business was founded in 2017, inspired by Cathy's long-standing involvement in facilitating IDCi proms. When she met a decorator considering retirement, the opportunity to launch All Celebrations was born. Together with her husband Dave (both proud Ingersoll natives) they established a company rooted in local values and community pride.

Community Commitment

All Celebrations is deeply embedded in the Ingersoll community. They've supported countless local charities through sponsorships, in-kind donations, and event design. The business also provides part-time employment opportunities for local high school students. Cathy and Dave's dedication extends beyond their company; Dave serves as one of Oxford County's public school board trustees, and both are actively involved with groups such as the BIA, Chamber of Commerce, and Kiwanis.

Recognition & Milestones

In 2022 alone, All Celebrations contributed to over 250 events in Oxford County and an incredible 465 events across Southwestern Ontario. This growth reflects both the demand for their services and their reputation for excellence in event delivery.

Here's a charming detail: the All Celebrations logo was inspired by Cathy and Dave's own prom in 1997 — a personal touch that brings their story full circle.
