

FUNNELL INSURANCE GROUP LTD/CO-OPERATORS

Located at 45 Charles Street West in Ingersoll, Funnell Insurance Group Ltd / Co-operators has been proudly serving the community since 1988. As a trusted independent agency partnered with Co-operators, the team specializes in personalized insurance solutions and comprehensive financial planning. Their goal is simple: to make insurance and financial planning stress-free and supportive, especially during life's most challenging moments.

A Family Legacy

The business was first opened by Judy Funnell in 1988. In 1996, she became an independent advisor and continued building her own office. Her son Adam joined the business in 2001, later taking over in 2010 when Judy retired, and officially purchased the agency in 2012. Today, that family tradition of service continues, with a nine-person team working out of offices in both Ingersoll and Dorchester.

Community Commitment

Funnell Insurance Group is more than a business; it's an active community partner. Over the years, they've proudly sponsored countless events, from local hockey, soccer, baseball, and curling teams to community golf tournaments and beyond. This dedication was recognized nationally in 2017, when the agency won the Co-operators Community Achievement Award. More recently, in 2024, they reached a new milestone by being named top Wealth/Life Insurance advisors in Canada.

Services & Solutions

While many know Co-operators for auto and home insurance, Funnell Insurance Group offers far more:

- Complimentary estate planning
- A wide range of investment solutions
- Commercial and farm coverage options
- All of their services are guided by strong co-operative principles, ensuring clients receive advice they can trust

Recognition & Achievements

Despite being "just a little office here in Ingersoll," Funnell Insurance Group has consistently ranked in the top 10 Co-operators agencies nationwide across multiple categories; proof of their excellence and dedication to client care.

HOMETOWN FAVOURITES

When they're not helping clients, the team is busy enjoying Ingersoll's vibrant local scene. They're fans of the Ingersoll Golf Club (for both the greens and the food!), the Olde Bakery Café, Scotch & Ponder, Evergreen for specialty coffee, Jokers Crown for a pint of Guinness, and Heavenly Sweets for ice cream. On the to-do list? Finally starting guitar lessons at Ingersoll Music Academy!
