SYCAMORE CENTRE

ABOUT THE SYCAMORE CENTRE

The Sycamore Centre is a Faith based community support space in Ingersoll dedicated to helping people meet their basic needs while fostering hope, dignity, and connection. Located at 42 Thames Street South, the centre provides a safe and supportive environment where individuals can find practical assistance, encouragement, and community.

Rooted in compassion and care, the Sycamore Centre's mission is to create a place where everyone is welcome—offering support with everyday needs while providing opportunities for personal growth and renewed hope. Their work focuses on meeting people where they are and walking alongside them with respect and understanding.

FOR PEOPLE WHO ARE IN NEED OF SUPPORT

The Sycamore Centre offers a range of practical support for individuals facing challenging circumstances. Visitors can access essential services such as coffee, food, clothing, shower and laundry facilities, along with access to computers, internet, and phone services.

Beyond these basic necessities, the centre also provides a welcoming space where people can find community, guidance, and encouragement. The goal is not only to help meet immediate needs but also to create an environment where individuals feel valued, supported, and connected.

Soll SUPPORT SERIES

FOR PEOPLE WHO WANT TO HELP

The Sycamore Centre thrives because of the generosity of volunteers and community supporters. Residents who want to give back can help by volunteering their time, donating essential supplies, or contributing financially to support the centre's programs and services.

Whether assisting with daily operations, helping prepare food, organizing supplies, or simply offering a friendly face to visitors, volunteers play an important role in maintaining the welcoming environment that makes the centre so impactful. Donations help ensure the centre can continue providing practical resources and compassionate support to those who need it most. Please see the attached list of their greatest needs.
