Quotes

"We're keeping the magic of Christmas alive! Thanks to the incredible support of the Oxford County community and our local small businesses, we've made it possible for everyone to write a letter to Santa and receive one back before Christmas. With the Canada Post strike, now is the perfect time to support local businesses and lend a hand to those in need."

- Chad Gee, Creator, Dads of Oxford

“There’s a phenomenal outfit at Santa’s Village in Ingersoll. There’s Santa and Mrs Claus, and letters can be written in the school house. We’re expecting a great turn out from the museum.”

- Jeremy Ward, Co-Creator, Dads of Oxford

“We’re bringing the magic of the holiday directly to the children of Oxford County with the help of Dads of Oxford. Santa’s Village is more than an event—it’s a community celebration of holiday spirit.”

About the Ingersoll Cheese and Agricultural Museum

We are located at 290 Harris Street, just 1 km North of Hwy 401 at Exit 218. We serve as the cycling hub of Ingersoll as well as the hub of the Oxford County Cheese Trail. The Ingersoll Cheese & Agricultural Museum was first opened on August 27th, 1977, consisting of a re-creation of a 19th century cheese factory. A former barn had been dismantled and the pieces moved to Centennial Park where they were re-assembled in the shape and design of a typical cheese factory in Oxford County. The museum is just down the road from where renowned cheesemaker James Harris’ original factory was, at the current site of The Elmhurst Inn. Experience seasonal exhibits, events and engage in local history at the Ingersoll Cheese and Agricultural Museum. Open Monday – Saturday from 10:00am – 4:30pm.
