## COMMUNITY FUTURES OXFORD

Community Futures Oxford is a non-profit community development corporation serving businesses across Oxford County. Their mission is to create and preserve jobs through support of small business development, entrepreneurship, and community economic growth. Operating since 1993, they're part of the broader network across Canada of community-futures organizations that promote local economic resilience.

### Supporting Our Businesses and Community Through Key Services

- **Business Financing and Advisory Services:** Providing start-ups and existing businesses with the most suitable funding to support their growth and success.
  - Loans up to \$300,000, express Microloans up to \$60,000.
- **Entrepreneur Coaching and Resources:** Offering business advice, training workshops, and one-on-one support tailored to entrepreneurs' needs.
- **Community Economic Development:** Supporting community initiatives in youth development, skills development, and innovation.
- **Young Entrepreneurs & Start-Ups:** Grant program supporting young entrepreneurs (39 and younger) to access the tools to launch or expand their businesses in Oxford County.

## Investing in Local Businesses, Investing in Community

- **Localized Focus:** Knowledge and understanding of Oxford County's business environment ensures advice and recommendations are grounded in local realities.
- **Supporting Business and Community Growth:** Services are designed to benefit both business owners and the broader community, contributing to long-term, sustainable growth.
- **Flexible Support & Funding Options:** Loan and advisory offerings align with a variety of business types and sizes, making support practical for both new ventures and growing businesses.
- **Inclusive Community Engagement:** French-language support and targeted outreach to entrepreneurs from diverse backgrounds, promoting broader inclusion in economic opportunity are provided through Fédération des gens d'affaires francophones de l'Ontario (FGA).

**'Starting from scratch? Scaling up?  
Either way—we've got your back.  
We're here to champion your business  
journey, every step of the way.  
Let's build something great together.'**
